

2018 AACTE Annual Meeting Online Contest Instructions

AACTE invites you to participate in the 2018 Annual Meeting online contest and have a chance to win an Amazon Echo Look or a FREE registration to 2018 AACTE Washington Week. Here are instructions on how to participate:

1. Promote our Annual Meeting by sharing your personalized referral link.

As soon as another person registers by clicking on your personalized Annual Meeting referral URL, you will be entered into a drawing to win an Amazon Echo Show or a FREE registration to 2018 AACTE Washington Week. Each new referral will earn you 100 points. See below, "How do I create my personal Annual Meeting referral link?"

2. Participate in our weekly Annual Meeting quiz.

Every week, we will post a few new challenge questions. Answer and earn points. The more points you earn, the more chances to have to win! Each correct answer will give you 25 points.

The number of points that you collect will determine the number of times your name is entered in the drawing to win the prizes. Each 100 points earns you another entry in the drawing.

For example:

Five people register via a URL that originates from you:
You earn 500 points (5 x 100 points each).

You answer 8 questions correctly:
You earn 200 points (8 x 25 points each).

Your total points equal 700 → your name will be entered into the drawing seven times.
